Promoting and Teaching British Values – Policy Statement

Promoting British Values at The Giles Nursery and Infants' School

The government set out its definition of British values in the 2011 Prevent Strategy. At The Giles Nursery and Infants' School these values are reinforced regularly and in the following ways:

Democracy:

We listen to children's and parents' voice. Our school behaviour policy is clear that children are expected to contribute and co-operate, taking into account the views of others.

The Rule of Law:

We consistently reinforce our high expectations of children. Children are taught the value and reasons behind our expectations (rules) that they are there to protect us, that everyone has a responsibility and that there are consequences when rules are broken.

Individual Liberty:

Within school, children are actively encouraged to make choices, knowing that they are in a safe and supportive environment. As a school we educate and provide boundaries for young children to make choices safely, through our provision of a safe environment and empowering teaching. Children are encouraged to know, understand and exercise their rights and personal freedoms.

Mutual Respect:

Part of our school ethos and behaviour policy has revolved around Core Values such as 'Respect', and children are modelled this by caring, sharing and listening to others. The staff help children to understand how to respect by talking about how actions/words can affect others.

Tolerance of those of Different Faiths and Beliefs:

We aim to enhance children's understanding of different faiths and beliefs by participating in a range of celebrations throughout the year. Children have the opportunity to dress-up in clothes and try different foods from other cultures and we encourage parents/carers to participate and support our multi-cultural events.
