Attendance Policy

Mission Statement/Vision

We believe that children cannot learn if they are absent from school. Therefore, we aim to ensure that all our children and young people take full advantage of the educational opportunities available to them and will strive to raise standards by promoting the regular attendance and punctuality of our pupils. We believe the foundation of securing good attendance is that our school is a calm, orderly, safe, and supportive environment where our pupils will want to be and are keen and ready to learn.

Aims/Expectations

- To demonstrate that improving attendance is everyone's business and embed a 'support first' approach.
- To develop and maintain a whole school culture that promotes the benefits of good attendance and is an integral part of the school's ethos.
- To work with pupils and parents to remove any barriers to attendance by building strong and trusting relationships.

Attendance Targets

- to keep whole school attendance above 95%.

Attendance and the Law

New legislation was passed, The School Attendance (Pupil Registration) (England) Regulations 2024 which introduced a National Framework in England. By law all children of compulsory school age must receive an appropriate full-time education (Education Act 1996). Parent/Carers have a legal duty to ensure their child attends school regularly at the school at which they are registered.

The rules governing the maintenance of registers, including removal from roll, are contained in the Education (Pupil Registration) (England) Regulations 2006. Attendance registers are legal documents that may be required as evidence in court cases.

Roles, Responsibilities and Expectations

<p>Governing Bodies of Maintained Schools</p>	<ul style="list-style-type: none"> • Ensure an effective whole school culture of high attendance is underpinned by clear expectations, procedures and responsibilities. • Offer a clear vision for high attendance, underpinned by high expectations and core values, which are communicated to and understood by staff, pupils and families. • Have a clear, written school attendance policy aligned with the policies of the Local Authority. • Regularly review and understand attendance data, discussing and challenging trends and helping school leaders to focus improvement efforts on individual pupils or cohorts who need it the most within school. • Ensure school leaders fulfil expectations and statutory duties. • Make sure staff, pupils and families understand that absence from school is a potential safeguarding risk and understand their role in keeping children safe. • Expect good attendance and punctuality from all members of the school community and make sure that pupils understand its importance. • Convey clear messages about how absence affects attainment, wellbeing and wider outcomes. Empower staff to take responsibility for attendance. • Recognise attendance as an important area of school improvement. Make sure it is resourced appropriately (including through effective use of pupil premium funding) to create, build and maintain systems and performance. • Have a designated attendance champion in the senior leadership team with clearly assigned responsibilities which are identified within the attendance policy, escalation of procedures and school improvement plan. • Make sure staff receive training/professional development and support to deploy attendance systems effectively. • Share effective practice on attendance management and improvement across schools.
<p>Role of the Headteacher</p>	<p>The Headteacher is responsible for:</p> <ul style="list-style-type: none"> ➤ Having a clear, written school attendance policy based on the expectations set out in this policy and ensuring the implementation of this policy – ensuring compliance with DfE Guidance for maintained schools, academies, independent schools and local authorities – Working together to improve School Attendance – August 2024 ➤ Ensuring every member of staff knows and understands their responsibilities for safeguarding and how this links

- Ensuring every member of staff knows and understands their responsibilities for attendance.
- Periodically review practice and consistency both across and between departments
- Proactively promote attendance practice as part of staff induction
- Ensuring accurate completion of admission and attendance registers.
- Ensuring staff are actively working to maximise attendance rates, both in relation to individual pupils and the pupil body as a whole.
- Having clear processes in place to address persistent and severe absence - pupils who are severely absent may be at risk of CCE/CSE/grooming etc. and this cohort must be made the top priority for action and support. Be especially conscious of any potential safeguarding issues ensuring joint working between the school, children's social care services and other statutory safeguarding partners. Often severely absent pupils have additional needs and therefore it is vital that schools ensure all appropriate services are informed and aware of the pupil's absence so suitable support can be considered, and education provided/accessed.
- Ensuring that all staff adopt a consistent approach in dealing with absence and lateness.
- Monitoring and analysing data and trends.
- Reporting to the Governing Body the attendance figures and progress to achieving the set targets.
- Reminding parents of their commitment to this policy.
- Building and modelling respectful relationships with staff, pupils, families and other stakeholders in order to secure their trust and engagement. Making sure there is a welcoming and positive culture across the school.
- Open and honest communication with staff, pupils and families about their expectations of school life and performance so that they understand what to expect and what is expected of them.

- Liaising with other agencies working with pupils and their families to support attendance, for example, where a young person has a social worker or is otherwise vulnerable.
- Sharing information on and working collaboratively with other schools in the area, LA's and other partners when absence is at risk of becoming severe or persistent.
- Ensuring the school attendance policy is applied fairly and consistently and recognises the individual needs of pupils and their families who have specific barriers to attendance. Schools should consider their obligations under the Equality Act 2010 and the UN Convention on the Rights of the Child.

Ensuring all staff members:

- treat pupils with dignity
- build relationships rooted in mutual respect and observe proper boundaries
- take into consideration the vulnerability of some pupils and the ways in which this might contribute to absence, handling confidential information sensitively
- understand the importance of school as a place of safety where pupils can enjoy trusted relationships with staff and pupils, particularly for children with a social worker and those who have experienced adversity.
- communicate effectively with families regarding pupils' attendance and well-being
- deliver clear messages about expectations, routines and consequences to new pupils and families through prospectus and admission/transition events
- use physical presence to reinforce routines and expectations on arrival and departure
- regularly communicate expectations for attendance and punctuality and school performance through regular channels of communication with staff, pupils and parents
- establish and monitor implementation of rewards for attendance and punctuality and sanctions for absence and lateness.
- Monitoring implementation of policy and practice, for example through form time, drop in, shadow late gate, planner checks
- Engaging community businesses, partners and residents to promote attendance and report non-attendance.
- Monitoring of whole school data regularly to identify reasons for absence, patterns, attendance of particular groups and the impact of interventions

- Informing the school attendance lead/line manager of any concerns;
- Emphasising with pupils the importance of punctuality and good attendance.
- Reminding parents of their commitment to this policy.

 - understand the importance of school as a place of safety where pupils can enjoy trusted relationships with staff and pupils, particularly for children with a social worker and those who have experienced adversity
 - communicate effectively with families regarding pupils' attendance and well-being

You should:

- Rehearse and reinforce attendance and punctuality expectations continually
- Emphasise the importance of attendance and its impact on attainment
- Promote the next lesson and the sequence of the lesson to motivate pupils to be in the classroom
- Promote rewards and celebrate progress but continue to outline sanctions
- Apply rewards and sanctions consistently
- Follow up on absence and lateness with pupils to identify barriers and reasons for absence

<p>Front Office and Inclusion Team</p>	<p>Expectations:</p> <ul style="list-style-type: none"> • To ensure the recording of attendance and absence data is accurate. • To ensure robust day-to-day processes are in place. • To track and follow up absence and poor punctuality (implement punctuality routines such as late gate or sign in procedures). • Provide appropriate support and challenge to establish good registration practice. • Carry out robust first day calling procedures including priority routines for vulnerable children including children with a social worker. If absence continues without

explanation, further contact should be made to ensure safeguarding.

- Identify any absences that are not explained for each session and contact parents to understand why and when the pupil will return.
- Where absences are recorded as unexplained in the attendance register the correct code should be inputted as soon as the reason is ascertained, but no later than 5 working days after the session.
- Where reasonably possible, ensure school holds more than one emergency contact number for each pupil.
- Keep parents informed on a regular basis of their child's attendance and absence record (this should be communicated to parents in an easy-to-understand format and percentage headlines should be avoided. For example, concentrate on the amount of time missed and the impact on the pupil's learning).
- Hold regular meetings with the parents of pupils who the school (and/or Local Authority) consider to be vulnerable or are persistently or severely absent to discuss attendance and engagement at school.
- Identify pupils who need support from wider partners as quickly as possible and make the necessary referrals.
- Undertake home visits in line with your safeguarding responsibilities to engage families and ensure children are safe.
- Identify and, where possible, mitigate potential barriers to good attendance in liaison with families and relevant support agencies.
- Implement children missing education (CME) procedures when appropriate -
- See guidance on HCC Grid regarding Children Missing Education, <https://thegrid.org.uk/admissions-attendance-travel-to-school/attendance/children-missing-from-education>
- Where pupils have additional vulnerabilities, which may require multi-agency meetings try to arrange those meetings outside of lesson time, where possible.
- Engage with feeder schools or organisations to access absence information in order to identify target cohorts prior to transfer, including mid-year transfers and managed moves.

Pupils at risk of persistent absence

- Provide regular attendance reports to tutors to facilitate weekly reviews with leaders (including special educational needs coordinators, designated safeguarding leads and pupil premium leads) for monitoring and evaluation purposes

- Initiate and oversee the administration of absence procedures.

This should include:

- letters home
- attendance clinics
- engagement with local authorities and other external agencies and partners
- work with families and the community to identify which methods of communication work best, recognising potential barriers in hard-to-reach families and find methods that work and are understood
- consideration as to whether further interventions are required in line with the statutory guidance on parental responsibility measures
- provide regular reports to leaders on the at-risk cohort
- provide regular reports/caseloads to local authority attendance team or independent attendance organisations to raise awareness of emerging at-risk pupils

Pupils who are persistently absent

- Develop and implement persistent absence action plans with pupils and families which address barriers and help establish positive attendance routines
- Identify tailored intervention which meets the needs of the pupil, for example:
 - mentoring
 - alternative provision where appropriate
- Lead daily or weekly check-ins to review progress and impact of support, make regular contact with families to discuss progress
- Hold regular meetings or reviews of caseload with the Statutory Attendance & Participation Team (SAPT), external partners and alternative providers to check on welfare and review progress
- Liaise with school leaders (e.g. designated safeguarding, special educational needs coordinator and pastoral staff) on referrals to external agencies and multi-agency assessments
- Coordinate and contribute to multi-agency meetings to review progress and agree on actions
- Work in partnership with SAPT and other agencies to ensure the appropriate use of statutory parental responsibility measures
- Provide regular reports to leaders on the impact of action plans and interventions

<p>Expectations of parents</p>	<p>Parents are responsible in law for ensuring that their children of compulsory school age receive an efficient education suitable to their age, ability, aptitude and any special educational needs that they may have. Most parents fulfil this responsibility by registering their children at a school.</p> <ul style="list-style-type: none"> • Parents whose children are registered at a school are responsible for ensuring that their children attend and stay at school every day school is open. <p>Parents are responsible for:</p> <ul style="list-style-type: none"> ➤ ensuring that their children are punctual and know the importance of good attendance. ➤ instilling in their children an appreciation of the importance of attending school regularly. ➤ impressing upon their children the need to observe the school's code of conduct. ➤ informing the school on the first day of absence, by 9:00 am at the latest. ➤ providing the school with an explanation for the absence. ➤ informing the school of any changes to their contact details. ➤ taking an active interest in their children's school career, praising and encouraging good work and behaviour and attending parent's evenings and other relevant meetings. ➤ working in partnership with the school to resolve issues and help the school to understand their child's barriers to attendance. ➤ proactively engage with the support offered by school to prevent the need for more formal support. ➤ If formal support is needed, proactively engage with this support to prevent the need for any legal intervention. ➤ booking any medical appointments around the school day where possible. ➤ only requesting leave of absence in exceptional circumstances and do so in advance (3 weeks). ➤ treating staff with respect ➤ actively supporting the work of the school ➤ contacting school for help when they need it ➤ communicating as early as possible circumstances which may affect absence or require support
<p>Working with the Local Authority</p>	<ul style="list-style-type: none"> ▪ Our school works in partnership with the Statutory Attendance & Participation Team to devise a strategic approach to attendance. ▪ The Headteacher or Attendance Lead will meet with the link LAAO when required to discuss and improve attendance for all persistently absent or severely absent pupils. ▪ Action Plans will be developed for all persistently and severely absent pupils. The school may request support

	<p>from the LAAO for advice and guidance with the implementation of these action plans.</p> <ul style="list-style-type: none"> ▪ If parents do not proactively engage with support offered through the action plan, then formal intervention may be requested from the LAAO. ▪ If parents do not engage with formal support, the school may request statutory intervention from the Local Authority. ▪ Statutory intervention can include: <ul style="list-style-type: none"> ➢ Parenting Contract ➢ Fixed Penalty Notice application from school ➢ Parenting Order ➢ Education Supervision Order ➢ Prosecution
<p>Encouraging Good Attendance</p>	<p>The school encourages good attendance by:</p> <ul style="list-style-type: none"> • Using clear and consistently applied systems and processes to improve, reward and incentivise attendance and address absences, making sure these systems are inclusive and appropriate for all pupils. • publicising good attendance during assemblies, newsletters and the termly report to the Governing Body. • awarding good attendance certificates and a small reward when pupils have achieved over 95% attendance. • Awarding a class trophy for highest weekly attendance, alongside an additional reward of 15 minutes golden time. • Keeping parents informed on a regular basis of their child's attendance and absence record (this should be communicated to parents in an easy-to-understand format and percentage headlines should be avoided. For example, concentrate on the amount of time missed and the impact on the pupil's learning).
<p>Punctuality</p>	<ul style="list-style-type: none"> ▪ The school doors open at 8:45am. ▪ Classroom doors close at 9:00am, parents will then need to enter through the school front office and pupils will be recorded as 'late'. ▪ Registers close at 9:15am. ▪ Pupils who arrive after the register has closed at 9:15am and parent provides a satisfactory explanation will be marked as late, which is an 'authorised absent' code for that session. ▪ Pupils who arrive after the register has closed and parent fails to provide a satisfactory explanation will be

	<p>marked as 'unauthorised absent' for that session (Code U).</p> <ul style="list-style-type: none"> ▪ School may arrange a meeting with parents to discuss concerns so that the problem can be addressed.
<p>Pupils at risk of Persistent Absence</p>	<p>School is expected to:</p> <ul style="list-style-type: none"> ▪ proactively use data to identify pupils at risk of poor attendance. ▪ Work with each identified pupil and their parents to understand and address the reasons for absence, including any in-school barriers to attendance. ▪ Signpost and support parents to access any required services where out of school barriers are identified. ▪ If the issue persists, take an active part in a multi-agency effort with the Local Authority and other partners. ▪ Act as the Lead Practitioner where all partners agree that the school is the best placed lead service. ▪ Where the Lead Practitioner is outside of the school, continue to work with the Local Authority and partners.
<p>Pupils who are persistently absent</p>	<p>Persistent absence occurs when a child's attendance is at or falls below 90%. Absenteeism at this level will considerably damage a pupil's educational prospects and the school will work alongside parents/carers to tackle this issue.</p> <p>School is expected to:</p> <ul style="list-style-type: none"> ▪ Continue support as for pupils at risk of becoming persistently absent. ▪ Ensure additional targeted support is in place to remove any barriers. Where necessary this includes working with partners. ▪ If there is lack of engagement, hold more formal conversations with parents, being clear about the potential need for legal intervention in future. ▪ Where support is not working or being engaged with, work with the Local Authority on legal intervention. ▪ If there are safeguarding concerns, intensify support through statutory children's social care. ▪ Work with other local schools, such as schools previously attended or schools of siblings.
<p>Pupils who are severely absent</p>	<p>Severe absence occurs when a child's attendance is at or falls below 50%.</p> <p>School is expected to:</p> <ul style="list-style-type: none"> • Continue support as for pupils who are persistently absent. • Agree a joint approach for all pupils who are severely absent with the Local Authority.

	<p>Pupils who are severely absent may be at risk of CCE/CSE/grooming etc. and teachers must ensure this cohort is made the top priority for action and support.</p> <p>You must be especially conscious of any potential safeguarding issues ensuring joint working between the school, children’s social care services and other statutory safeguarding partners.</p> <p>Often severely absent pupils have additional needs and therefore it is vital that school ensure all appropriate services are informed and aware of the pupil’s absence so suitable support can be considered, and education provided/accessed.</p>
<p>Absence</p>	<p>Only the school can authorise an absence. The fact that a parent has provided a note or other explanation (telephone call or personal contact) in relation to a particular absence does not, of itself, oblige the school to accept it, if the school does not accept the explanation offered as a valid reason for absence.</p> <p>If, after further investigation doubt remains about the explanation offered – or when no explanation is forthcoming at all – the absence will be treated as unauthorised and the parent informed.</p> <ul style="list-style-type: none"> • Leave of absence can be applied for in advance. The school’s decision, based on statutory and non-statutory guidance from the LA / DfE, to whether this is granted because of exceptional circumstances relating to the application (parents cannot expect, as of right, that the school will grant leave of absence). • Leave of absence to allow a pupil to take part in a performance within the meaning of s37 of the Children and Young Persons Act 1963 © for which a child performance licence has been issued. HCC will not issue a child performance licence where absence is required without the written permission of the Headteacher.
<p>Penalty Notices</p>	<p>Our school follows the National Framework for Penalty Notices.</p> <ul style="list-style-type: none"> • The School Attendance (Pupil Registration) (England) Regulations 2024 set out the statutory requirements for schools. All references to family holidays and extended leave have been removed. The amendments specify that headteachers may not grant any leave of absence during term time unless there are "exceptional circumstances" and they do not have

any discretion to authorise up to ten days of absence each academic year.

- The fundamental principles for defining 'exceptional' are events that are "rare, significant, unavoidable and short". By 'unavoidable' we mean an event that could not reasonably be scheduled at another time, outside of school term time, regardless of who has planned or paid for the holiday or absence (including grandparents or other family or friends).
- There is now a single consistent national threshold for when a penalty notice must be considered by all schools in England, of 10 sessions (usually equivalent to 5 school days) of unauthorised absence within a rolling 10 school week period.
- The 10 sessions of absence do not have to be consecutive and can be made up of a combination of any type of unauthorised absence (G, O and/or U coded within the school's registers). The 10-school week period can span different terms, school years or education settings.
- Sanctions may include issuing each parent (for each child) with a Penalty Notice for £160, reduced to £80 if paid within 21 days (for the first offence).
- A second Penalty Notice issued within a three-year period will result in a fine of £160 per parent, per child.
- If a third offence is committed, the matter may be referred to the local authority for consideration of prosecution via the Magistrates Court. If prosecution is instigated for irregular school attendance, each parent/carer may receive a fine of up to £2500 and/or up to 3 months in prison.
- If a parent/carer is found guilty in court, they will receive a criminal conviction.
- **There is no entitlement in law for pupils to take time off during the term to go on holiday or other absence**

	<p>for the purpose of leisure or recreation, or to take part in protest activity in school hours.</p> <p>Follow guidance on HCC Grid when considering a Fixed Penalty Notice - https://thegrid.org.uk/admissions-attendance-travel-to-school/attendance/penalty-notices-for-unauthorised-absenceholiday</p>
<p>Part-time Timetables</p>	<ul style="list-style-type: none"> • As part of the framework for the inspection of services for children in need of help and protection, children looked after, and care leavers (Ofsted June 2015) local authorities are required to provide detailed data on school age children in their area who are not in receipt of full-time education and schools are similarly expected to maintain data on students of compulsory school age who are on their roll but attending on a part-time timetable. • The Local authority has published guidance for all maintained school, academies, free schools, studio schools, UTCs, ESCs and PSBs on the use of part-time timetables for pupils of compulsory school age (the term after their fifth birthday to the last Friday in June following their 16th birthday) • All schools are required to return information on children who are on part-time tables within five days of the pupil starting or ending a part-time timetable. <p>Follow guidance from HCC Grid when considering a part-time timetable - https://thegrid.org.uk/admissions-attendance-travel-to-school/attendance/attendance-part-time-students</p>
<p>Monitoring</p>	<p>We believe this policy will be effective only if it is consistently monitored across the whole school.</p>
